The image shows the box art for the LEGO Friends On Tour set. It features a pink and black tour bus with a 'Live!' logo on its side. Inside the bus, five LEGO Friends characters are depicted: two in the back holding drinks, one in the middle holding a microphone, and two in the front, one driving and one pointing. The background is a vibrant purple and pink night scene with silhouettes of cheering fans and a large orange object hanging from the sky. The title 'Live! ON TOUR' is prominently displayed at the bottom in a stylized, glowing font.
